Club will give an annual award to the "Club Tournament Champion"

The "Club Tournament Champion" will be the chapter member who accumulates the most points during club tournaments

The individual must be a current member of Muskies, Inc Chapter 41 in good standing

No tie-breakers. In the event of a tie at the end of the year, winners will be declared co-champions

This contest will be for tournaments on Ohio lakes only (Can-Am is excluded)

Club members will receive ten (10) participation points for each tournament they compete

Club members will receive thirty (30) points for a 30" fish and one (1) additional point for every inch over thirty

No half-points will be awarded. 1/2" or greater rounds up

This does not change the rules for any of the individual tournaments. The participation points are only for this annual contest

The intent is that this system is simple, fair and fun. The decision of the Club Tournament Director will be final on any issues

Purpose: The purpose of the establishment of an annual "Club Tournament Champion" is to promote FRIENDLY competition amongst club members, to generate additional interest and excitement for the Ohio lake tournaments, and to increase PARTICIPATION in these great club events.
