

JUNE 2010 NEWSLETTER

President's Message

Last month I started with the following: "The month of May is upon us and some of the best fishing of the year is ahead in the next couple months." Looking at the fish list, this seems to have been a true statement. Sadly I just entered my MAL effort information and I've logged less than 20 hours on Alum since early April, but it looks like a lot of guys are on the fish and it is great to see some of our new members pop up on the Muskies Inc. Lunge Log. I hope to see you out there as I plan to make up for lost time in the next six weeks or so.

Our May meeting was a big success and thank you again to Marc and Roger from KY 45 for putting on a great presentation. I heard a lot of positive comments about this meeting. On the weekend after our May meeting we had a great showing at the Chapter Challenge at Salt Fork, and Cliff Honeycutt won the event with two nice fish. Our chapter retains the traveling trophy and we will host the event again next year. Congrats Cliff!

Like I mentioned last month, we had a lot of people sign up to take advantage of our "take a new member fishing" offer and we are slowly but surely trying to work off that list. We are close and should get everyone out soon. I've gotten out with two new members and really enjoyed the time on the water and managed to get some fish action on both trips.

Our next tournament is the Russ Dodridge Memorial this weekend (June 5-6) which will be held on Alum Creek this year. There is info about the sign-up and lunch on our website message board. Thanks to tournament director George Smart for making all this happen.

Next Tuesday June 8th is our first summer meeting at the marina ramp at Alum Creek Lake. We will have some Boy Scouts serving dinner at 6 PM and then we'll hit the water after a short meeting. We will also be doing a winner-takes-all raffle of a big lure package to raise some money for our Youth Event in July. Elmer Heyob has graciously donated these lures to support this important upcoming event. Thank you, Elmer. We could use some more sponsorship for the Youth Event, so if you have an employer or an organization that would be interested in providing some financial support to this outing for the kids, please contact me, and I will help you make that happen.

Rounding out the exciting month of June ahead is the Ray Demers Memorial Muskie Tournament at Lake St. Clair on the weekend of June 25-27. There is a link to the tournament flyer on our website and watch the message board for updates as we move through June. The results from last year's event were amazing, and this year should be even better with the tremendous team of members who put so much time in to making this happen.

There is a lot going on in the next month to talk about, but Tom Rankin gets mad at me when my monthly "rant" exceeds one page. Please post your reports, information and questions on the message board and I'll see you on the water.

Online Fish Entry Instructions

Steps to enter fish online:

Go to www.muskiesinc.org

Click on the Members Only tab

Log in using your 5-digit Muskies Inc. membership number

If you are logging in for the first time, follow the instructions on the MI website to establish a log in and password

Once logged in, click the link to online fish submission

Fill in the online version of the release form with all necessary information. Remember that we only report fish to MI that are 30 inches or more

Once you have all the necessary information entered, click submit fish. Once you submit, it will give you a 6-digit lunge log ID number. Once you get this number, you have entered your fish successfully.

If you are entering more than one fish, your information will still be in the form. Simply over-type that information with the information for your next fish and click submit again. That will give you another ID number.

Be very careful not to submit a fish twice.
