Presidents Message

We had the first frost of the season this morning, Oct 1st, it didn't kill the tomatoes, etc, up here by Fremont, but is sure was cold outside. I'm ready for the Fall fishing now. Water temps are falling fast and fishing should get better as the month goes on.

The October meeting is the 13th at PJ's at 7 pm. We have a bunch of items on the agenda. Here are a few items to think about.

First, we have to vote on a motion for the MI International to hire a full time Executive Director to keep up with the day to day operations of Muskies, Inc. See the September magazine, page 4, for details.

Second, we need to select a RVP. Doug Dible, the current RVP is the Region 3 Director now and can't hold both positions. Anyone interested in this position, please come to the meeting and let me know.

Third, the Region 3 meeting is scheduled for Oct 24th in Columbus. I will have copies of the meeting agenda at the meeting. We will discuss any issues that Central Ohio chapter wants to bring up at this meeting.

Fourth, we need to select the 2010 dates for chapter events and tournaments.

The Fall Shootout Tournament at Alum Creek is on Oct. 10-11 at the Marina ramp. If the weather is good, we should catch a bunch of fish. This is the last event on the Tournament Championship trail.

The fishing report is still pretty good, Alum Creek is still producing some fish. Some fish have been turned in from Clearfork. St Clair has been good until the strong winds stirred up the lake last week. The Thames and Detroit rivers should be getting better any time now. We are having a record setting year for the number of fish the members are turning in, so keep catching those Muskies.

See you at the meeting,

Mark
