

October 2008 Newsletter

Presidents Message

Greetings to everyone. I hope you all are getting ready for our last tournament of the year on Oct 11-12th at Alum Creek. The weather sure has cooled off and maybe that will get those Alum Creek Muskies active for the tournament. The tournament will be over before the October meeting, that's why we talked about fall fishing at the September meeting. If the weather cooperates, we should be able to put up a number of fish on the board.

In early September, Manny Farley and I made a donation from the proceeds of the Ray Demers Lake St. Clair tournament, to the Lakeshore Community Services in Belle River, Ontario. This \$500.00 donation is for their Food Bank program, and they were very appreciative of this donation. At the last meeting it was suggested that the members could bring some canned food to the October meeting and Manny or I would make sure it was taken up to Belle River. So, please consider bringing a can or 2 to the October meeting. Manny talked to the manager of Rochester Place campground and suggested that we put out a notice to all the campers, that when they leave at the end of the season and have nonperishable food leftover, they could donate it to the Food Bank. Rochester Place has agreed to place a collection box at the office area and distribute the flyer.

For those of you who haven't got a passport yet, there is a new passport card becoming available. It's cheaper at \$45 and valid for 10 years. It is good for land and sea travel only to Canada, Mexico, and the Caribbean. The new rules go into effect June 1, 2009. You can still get into Canada and return to the US by land with a Birth certificate. If you have travel plans for Lake St. Clair next year, this may be a very good option. Check out www.getyouhome.gov.

The October meeting topic is going to be a discussion on "How to make the club better", so bring ideas that we can talk about. There is nothing sacred; we can always find ways to improve this chapter. The newsletter, meeting location, tournaments, meeting programs, merchandise, retention of members, and fund raising are just some examples to discuss.

The November meeting is elections of 2009 officers, so I would like to poll all of the 2008 officers to ask if they want to stay on for another year. This is also the time for anyone who wants to take a position in the club to throw their name in the hat.

Also in November, Craig Myers, the Lowrance rep will talk about new products, etc.

There isn't much of a fishing report, Alum and Clear Fork have been very slow. St. Clair has been weedy and windy, but we have put fish in the boat each weekend.

The little muskies have been stocked, so the class of 08 is in the lakes.

Good luck fishing, see you at the Tournament and meeting.

**Youth

This is Randy Parker with a 38.5" muskie, fishing with Rob VanGorder in the Detroit River.

This nice 34" fish helped Tom Rankin win the 2008 TTMT Fall Classic in St. Germain, WI.
